SPORTident AIR+

AIR+ will be activated which means all controls can be punched 'touch-free'. It is a PUNCHING start and the finish control will be in touch-free mode.

Start

At the parking you will find the directions to the start. Parking is +- 1000m north of the map below.

Embargo

There is an embargo on the map of Luchtbal. Only the 'Noorderlaan' can be used to go to the parking. You can not turn into the area between Noorderlaan and the highway.
